Obtaining Library Card for Minors

A Parent/guardian, who would like to get a PINES card for a minor, is encouraged to also receive a card.

If the parent/guardian does not have a library card and does not want to get a library card, they must be present and present a valid ID/driver's license in order for the child/children (under the age of 18) to receive a library card.

Library Card Renewals (Children and Adults)

If the parent/guardian is renewing the minor's card:

If the minor's card is in good standing, (under \$10.00 in fines), renew the minor's card.

Make sure the minor is linked to the adult if adult has card.

***The parent/guardian does NOT need to be present in the minor just needs to extend the expiration date on the card. IF there is a change in address or this is a replacement card, then the parent must be present and present a valid ID.

When parent/guardian renews their own card, all fines on their own card and all linked cards must be paid to \$0.00

This is our baseline policy. All instances are different and can be decided on case by case if needed.
